2.0. PROFILE OF THE IMPLMENTING ORGANISATION – SRDPS

2.1. Historical evolution:

Society for Rural Development Promotion Services [SRDPS] was established as an NGO on 03.09.1990 by Mr.RajaPanneerselvan with the support of likeminded colleagues and was registered as a Society under the Tamilnadu Societies Registration Act, 27 of 1975. SRDPS is registered by the Sub Registrar of Vellore District and is renewed regularly every year. SRDPS has completed its 25 years of dedicated service to the needy communities under the untiring leadership of Mr.Raja Panneerselvam. He has successfully managed to lead the NGO forward even under very difficult financial conditions. The current of SRDPS campus infrastructure is a monument for a never dying spirit.

The Founder-Director of SRDPS, Tirupattur, Vellore District, Mr.Rajapanneerselvan passed away in a massive heart attack on 24.08.2014 all of a sudden. His unexpected demise created wide void because of the huge institution he had built up over a period of nearly two decades. His relations and friends felt that there was no other way but to hand over this Institution either to the Government or to a capable NGO. But his wife Mrs.Thamizharasi Rajapanneerselvan Volunteered to take it up as a challenge to put the SRDPS rails back on its tracks. Within a few months, she has sorted out the legal hurdles with the help of friends and well-wishers to bring the Society's affairs full under her control. All of us at SRDPS miss the inspiring and hardworking Mr.Raja Panneerselvam. May God grant him eternal rest.

The target population of SRDPS has expanded significantly to cover children and women in difficult circumstances, women and children trafficked for commercial exploitation, surrendered and abandoned newborn babies and orphaned or discarded children in distress. SRDPS is poised for greater growth and development by way of

improving the quality of services rendered to its target groups through infrastructural enhancements for bringing other marginalized groups under its care and support.

☞MAJOR ACTIVITIES OF SRDPS

Society for Rural Development Promotion Services (SRDPS) works for the welfare of women and children**,** Orphan and abandoned babies, Mentally Ill People in Tirupattur District Tamil Nadu. Our services mainly focus on providing shelter, care and protection, medical services, rehabilitation, reintegration for destitute, trafficked and sexual exploited women and children. We rescue abandoned and surrendered babies, care, protect, provide medical services and support legal adoption to childless couples.

1. **SWADHAR HOME(SINCE 2005) –** The rehabilitation centre for Destitute women, Women from poor background, widows, Women from broken family, abandoned women and deprived women.

2. **SPECIALISED ADOPTION AGENCy (SAA- SINCE 2007) -** Care centre for abandoned babies, orphan and surrendered children.

3. **CRADLE BABY CENTER -** Centre for surrendering newly born babies in a safest way.

4. **UJJAWALA** - Rehabilitation centre for trafficked women and children due to immoral activities.

5. **MENTALLY CHALLENGED ILL HOME –** The home for mentally challenged and differentially abled persons.

Activities

1. **Non-formal education -** Tamil, English, Maths & General Knowledge are taught as subjects to the inmates through non-formal education.

2. **Vocational training -** Garment Stitching, Wire-Bag Making, Earrings Making, Anklets Making, Woollen Knitting, Recycling Waste Cloth Materials, Foot Mats and Decorative Items are taught through Vocational Training.
3. **Awareness Programmes –** SRPDS conducts various awareness programs on illegal adoption, sexual abuses, election awareness, effects of alcohol, and sensational workshops, Trafficking, etc.
4. **Recreational workshops** - Recreational activities such as YOGA, Exercises are being taught and practiced on a daily basis to the inmates. Indoor games like carom board, chess, etc. and Outdoor games like volleyball, throw ball, koko, tennis, skipping and etc. are conducted often especially to school going children to recreate their mind and body.
5. **Counselling** - Counselling is an important activity given to our inmates. Abandoned, trafficked women and children found to be in very bad and aggressive mood during their admission because of the disturbance faced.
6. **Rehabilitation** - Children who are dropped out of schools because of their social problems are sent to nearby school for their education. Few girls are admitted in hostels and given education with safety and are guided to progress in a good career.
7. **Re-integration** – An initiate to make victims to mingle with society and play the role of an active member of the society undertaking their own responsibilities.
8. **Cyclone – Relief** – Distribution of relief materials such as food products, stationery and basic needs to people affected by cyclone.
9. **Fun and entertainments** – Beneficiaries are taken to picnics yearly once for the recreation of their minds.

NEED FOR THE PROJECT:

The beneficiaries in the home are recused from various regions and timely action is an important measure. Sometimes victims are found in some abandoned areas in critical health conditions. In such circumstances we look for cabs or other vehicles, but it's not effective to give them timely health aid. Rescuing them in an ambulance with

first-aid facilities would be much helpful. Also when some beneficiaries met with critical health issues, owing an ambulance could save their lives in the right time.

Expected Benefits

- The staff can reach the victims at the right time and rescue them.
- Proper Medical treatment will be given in a right time.
- Victims found in critical conditions can be given proper health aid without delay.
- Ensured the health and medical care of the babies, children and unwed mothers.
- Ensured prenatal, natal and postnatal care for unwed mothers in time.
- Extended the service to more number of abandoned children in a day.

5. STATEMENT OF PROBLEM:

Specialised Adoption Agency and Residential Home for Mentally Ill is one of the special schemes administered by SRDPS exclusively for the benefits of the abandoned and orpahaned children. Mentally Ill persons and for their integrated growth and development. As of now, it caters to the multifarious needs of 35 destitute women, 15 Trafficked victim women, 30 Mentally challenged Women, 15 orphan children.

SRDPS is 24 hours reception unit for all the category of the above needy people. So Ambulance service is most important for receiving new patients. Also it is very useful for the inmates already stayed in the Home.

6. NEED AND JUSTIFICATION AND UTILITY OF THE PROPOSED VEHICLE:

The vehicle purchased will facilitate to carry out the following activities in SRDPS.

- ✓ The RESCUE, MEDICAL and other emergency needs of 110 inmates in SRDPS.
- ✓ Mobilizing both human and material resources for the conduct and participation of programmes / events.
- ✓ Supply of resource and other materials to SRDPS for its multifarious needs.

- ✓ Facilitating to conduct multifarious development activities for the differently-abled children particularly the mentally and physically challenged studying in SRDPS.
- ✓ Integrated Care and protection of the target children is very much dependent on the four wheeler vehicle as they need to avail the social and medical services available outside the campus of SRDPS.
- ✓ The aged and parentless children residing within the campus of SRDPS too are very much in need of the four wheeler vehicle for their day-today social, medical and therapeutic care cum needs.

On an average, the vehicle will travel around 5000 to 10000 kilometres in a month and 60000 to 120000 kilometres in a year. The vehicle will be owned by SRDPS and the Organization takes up the responsibility for maintaining the vehicle to derive maximum mileage and benefits from the same.

7. Fuels, Maintenance and repairs:

The cost of vehicle maintenance viz, repairs and services will be met from the local fund available in SRDPS. Besides, a small portion will be availed from the administrative cost of various programmes and projects administered by the applicant organization. SRDPS will insure the vehicle and if any major breakdown happens, compensation from the insurance company will be claimed. Being a new vehicle, the frequency and extent of damage / repair, cost of maintenance will be limited only.
